### Frequently Asked Questions

**1. What grade levels are holding lotteries?**

A lottery will be conducted for grades 9.

**2. Is it a first-come, first-serve system to get into CAST Lead High School?**

No. If there are less applications than seats available, no lottery is conducted, and all students are accepted. If there are more applications than available seats, a lottery is conducted, offers are made for the number of seats available and the remaining students are waitlisted.

**The Lottery Process-** This is a blind, computerized process conducted at the district level.

- a. In District (50%)
- a. Out of district (50%)

**3. Do siblings have priority?**

Siblings have priority in grades that have a lottery.

If you would like to be considered for sibling priority, an application must be completed online, the currently enrolled sibling information must be stated on the application *and* continue enrollment at CAST Lead High School for the 2020-2021 school year.

**4. What happens to the application if my son or daughter does not get accepted?**

If your son or daughter does not get accepted through the lottery process, they are placed on a waitlist. That waitlist carries over until they receive an offer or until the new application window opens for the 21-22 school year.
